

LOSE YOURSELF

LYRICS

Love and realize what truly matters
If it's just a combination of letters
You will find yourself in so much pain
That you go insane

And you lose yourself
While you try to heal him
Try to make him see
What you wanna be for him

Dreams
They were given to you for a reason
And they guide you through your life when
The darkness makes it hard to see
Who you're meant to be

And faith
Will give you all the answers you needed
Let it heal your heart to be completed
On the road to self-discovery
Because now you see

How you lose yourself
While you try to fix this
Try to make him see
What you wanna be for him

And you lose yourself
While you try to fix this
Your heart breaks apart

Go and find yourself
In His hands He'll fix you
You'll begin to see
That you can truly be
Yourself
