

COMING HOME (Xmas Radio Edit)

LYRICS

And all of the sudden the world stood still
So much time on our hands against our will

What can we do
Where can we go
Can we go at all

Is this our fate
Does it matter
I feel so small

Let's go home to where our hearts belong
Let's go home because this life feels so wrong

What we'll find
It doesn't matter
Leave this behind
We'll make it better

Let's go home, hm let's go home

Nothing has changed and yet so much
My whole world rearranged without any touch

I long to be free to be wise to be understood
I wanna make you see
I wish I could

Go home to where our hearts belong
Let's go home because this life feels so wrong

What we'll find
It doesn't matter
Leave this behind
We'll make it better

Let's go home, hm let's go home
Let's go home
Let's go home

Now

What we'll find
It doesn't matter
Leave this behind
We'll make it better

Let's go home
Hm let's go home
