

# COMING HOME

## LYRICS

And all of the sudden the world stood still  
So much time on our hands against our will

What can we do  
Where can we go  
Can we go at all

Is this our fate  
Does it matter  
I feel so small

Let's go home to where our hearts belong  
Let's go home because this life feels so  
wrong

What we'll find  
It doesn't matter  
Leave this behind  
We'll make it better

Let's go home, hm let's go home

Nothing has changed and yet so much  
My whole world rearranged without any  
touch

I long to be free to be wise to be understood  
I wanna make you see  
I wish I could

Go home to where our hearts belong  
Let's go home because this life feels so  
wrong

What we'll find  
It doesn't matter  
Leave this behind  
We'll make it better

Let's go home, hm let's go home  
Let's go home

Let's go home  
To where our hearts belong  
Let's go home  
Because this life feels so wrong

What we'll find  
It doesn't matter  
Leave this behind  
We'll make it better

Let's go home  
Hm let's go home

---
